

B. M. S. COLLEGE OF ENGINEERING

(AUTONOMOUS COLLEGE UNDER VTU) BENGALURU-19

**DEPARTMENT OF ELECTRONICS &
COMMUNICATION ENGINEERING**

FUNDAMENTALS OF ELECTRONICS DESIGN

**NETWORKING EMBEDDED AND WIRELESS SYSTEMS
(NEWS) NATIONAL CONFERENCE 2025**

The primary objective of this workshop is to provide students with a practical understanding of basic electronic components, circuits, and their real-world applications using the “200-in-1 Electronics Project Kit.” The session aims to bridge the gap between theoretical concepts and hands-on experimentation, enhancing students’ ability to design, build, and troubleshoot simple electronic circuits.

Date:

14th November 2025 (Friday)

Timings:

10 a.m. – 4:15 p.m.

Venue:

Room L-304, EC Department

Registration Fee:

₹100/- per person

LIMITED SEATS ONLY

Student Co-ordinator:

**Shashwath S
Ph:9741304197**

Faculty Co-ordinator:

Dr. Radha RC
