

B. M. S. COLLEGE OF ENGINEERING

(AUTONOMOUS COLLEGE UNDER VTU) BENGALURU-19

DEPARTMENT OF ELECTRONICS &
COMMUNICATION ENGINEERING

HACKATHON ON EMBEDDED SYSTEM DESIGN

NETWORKING EMBEDDED AND WIRELESS
SYSTEMS (NEWS) NATIONAL CONFERENCE 2025

1.Event Goal - Impart skills in embedded systems and hardware programming, and scout top talent for OptimusLogic.

2.The Challenge - Solve one specific problem using provided Arduino boards. The primary solution method prioritizes an Android Mobile Phone over a Laptop.

3.The Reward -A direct Internship Opportunity at OptimusLogic for top winners. The internship is valued at INR 70,000/- for 4 to 6 months.

Mandatory Requirement - Students must bring their personal Laptop and an Android Mobile Phone. (iPhones/Macs are strictly not allowed).
